

THE HIDDEN EPIDEMIC
ALCOHOL, MEDICATION AND THE OLDER ADULT
DVD

In an effort to accomplish its mission, the Alcohol and Aging Awareness Group in Virginia presented The Hidden Epidemic, Alcohol, Medication and the Older Adult Conference on April 29, 2008. Hundreds of service providers from across the Commonwealth attended this one-day conference held at Virginia Commonwealth University Student Commons. Packaged as a set of 3 DVDs and an accompanying CD-ROM data disk, the content is appropriate for educating older adults, family caregivers and professionals about recognizing alcohol misuse and medication interactions in the aging population.
